JUDGES COMMENTS

Judges:

Mr Lou Morsch – Modiano Australia

Mr Ian Shawcross – Arcadian Wool

Since the previous Australian Fleece Competition growing conditions have been in the main, very favourable. The good conditions, along with good breeding and management have produced an excellent quality show.

Most sections were well represented with a high number of quality fleeces. This ensured a very strong competition. Judging in many of the sections proved difficult due to the evenness of the fleeces. The majority of fleeces in the Merino sections showed all the traits of the modern style Merino – a well-nourished, heavy cutting wool with a long shafty staple and a deep crimp. Some fleeces would have scored higher if more care was taken with the skirting. Also a few fleeces had an odd skin piece left on. Both these areas of concern counted heavily against some of the exhibits when judged.

The visual traits of the fleeces were very even, separating them on that alone would have been very difficult.

The judges would like to congratulate all growers who entered fleeces for this competition. It was an honour and a pleasure to judge and work alongside the organisers.

ACKNOWLEDGEMENTS

The Australian Fleece Competition committee would like to thank the following for their contributions
